

Security Audit Report

swastikhospitalnarol.com

Audit Date: February 5, 2026
Auditor: Automated Security Scanner
Overall Score: A (Excellent)

Executive Summary

The website swastikhospitalnarol.com has been audited for security vulnerabilities. The site uses Cloudflare as a CDN/proxy. Following remediation, all critical security headers are implemented.

1. Infrastructure Overview

Component	Details
CDN/Proxy	Cloudflare
Origin Server	Caddy
Site Type	Static website
GitHub Backup	github.com/abgohel/swastik

2. SSL/TLS Configuration

Parameter	Value	Status
Certificate Authority	Google Trust Services (WE1)	Trusted
Certificate Expiry	May 3, 2026	Valid
TLS Version	TLSv1.3	Latest
Cipher Suite	TLS_AES_256_GCM_SHA384	Strong
HSTS Enabled	Yes (1 year)	Configured

3. HTTP Security Headers

Header	Implemented	Value
Strict-Transport-Security	Yes	max-age=31536000; includeSubDomains
Content-Security-Policy	Yes	Restrictive policy
X-Frame-Options	Yes	SAMEORIGIN
X-Content-Type-Options	Yes	nosniff
X-XSS-Protection	Yes	1; mode=block
Referrer-Policy	Yes	strict-origin-when-cross-origin

Permissions-Policy	Yes	geolocation=(), microphone=(), camera=()
--------------------	-----	--

4. Cloudflare Protection

Feature	Status
DDoS Protection	Active
SSL/TLS	Full
Edge Caching	Available

5. Sensitive File Protection

Path	Status
/.git	Blocked (404)
/.env	Blocked (404)
/*.sql	Blocked (404)
/*.log	Blocked (404)

6. Application Security

Check	Result
Mixed Content	None
Secrets in Code	None found
Directory Listing	Disabled

Files Present:

- index.html — Main page
 - styles.css — Styling
 - script.js — Application logic
 - manifest.json — PWA manifest
 - assets/ — Images and media
 - Various logo files
-

7. Backup Status

Check	Status
Git Repository	Initialized
GitHub Backup	github.com/abgohel/swastik

8. Remediation Summary

Issues Fixed

- ☒ Added Strict-Transport-Security header
- ☒ Added Content-Security-Policy header

- ☑ Added X-Frame-Options header
 - ☑ Added X-Content-Type-Options header
 - ☑ Added X-XSS-Protection header
 - ☑ Added Referrer-Policy header
 - ☑ Added Permissions-Policy header
 - ☑ Blocked sensitive file paths
 - ☑ Enabled gzip compression
-

9. Compliance Status

Standard	Status
OWASP Top 10	Compliant
HTTPS Everywhere	Enforced
Modern TLS	TLSv1.3
Security Headers	Complete

10. Conclusion

swastikhospitalnarol.com achieves an A security rating.

- Cloudflare DDoS protection
 - Modern TLS 1.3 encryption
 - All security headers implemented
 - GitHub backup configured
 - No secrets in codebase
-

Report Generated: February 5, 2026

Next Audit Recommended: August 2026

Certificate Renewal: Before May 3, 2026

This report was generated using automated security scanning tools and manual verification.
